

## How to find RESIDENCIES

There are various ways to search for residencies depending on what you are looking for.

Many of the Universities and Art Schools offer residencies so searching for the name of the institute will in most cases bring up a listing of residencies offered at that institute. Government bodies also sponsor residencies. See our tutorial, **Government Grants**, to see how to search for government funding.

### ***For Example***

Search for any of the following or similar:

***residency***

***residencies***

***artist in residence***

***name of institution or government body***

***e.g. Victorian College of the Arts***

***Arts Victoria***
